Message from ICC Regional Development Manager – Europe

It gives me great pleasure to welcome all teams, players and officials to Dundee for the ICC European U/ 15 Division 1 Championship.

Similar to last year's event, Europe's top four Associate Members Denmark, Ireland, Netherlands and Scotland will once again be joined by the Channel Island sides Guernsey and Jersey.

Last year's title holders and this year's hosts Scotland, who in 2008 ended Ireland's long eight-year reign as champions of this age-group, will have everything to play for as they look to defend their title from a revived Ireland team set on regaining their number one placing. Meanwhile, Denmark, Netherlands and relative newcomers Jersey and Guernsey will also be keen to add their names to the trophy, and given Scotland's triumph last year, a new title-holder in 2009 is certainly an achievable feat.

For many of the players taking part in the tournament this will be their first experience of international competition and will provide a great opportunity for them to grow and develop as cricketers. This stage also allows players the chance to impress upon their country's selectors and contest for a place in their future national U/17 and U/19 teams and possibly a chance of qualification for the 2010 ICC U19 Cricket World Cups in Kenya (2010) and Canada (2012).

There are many people who have contributed to the organisation of this event, not least the Tournament Organiser Euan McIntyre, to whom the ICC and I are truly grateful. Personally I would like to thank all the match officials – referee, umpires, scorers and web managers; groundsmen; match managers; and many other volunteers who have made all this possible and have worked so hard and kindly hosted matches.

Good luck to all those involved and let's hope the spirit of cricket shines through this week.

Yours sincerely

Richard Holdsworth

Tournament Welcome

On behalf of Cricket Scotland can I welcome you all to our country for this year's European Under 15 Championships. It is a pleasure to welcome our five visiting teams to Scotland and we are all looking forward to a week of competitive and hard cricket on the field. Off the pitch it is a great opportunity to meet new friends from our European cricketing family and no doubt revisit some existing rivalries!

The undoubted smooth running of the week will be down to a number of key people, not least Dick Auckinleck and Euan McIntyre the organisers. Along with our eleven host clubs from Tayside and Fife there has been a huge amount of preparatory work in the lead up to this week – can I take this opportunity of thanking them all for their endeavours in making this event happen. The support of the clubs is fundamental to making this week happen and I know you will all appreciate the quality of the facilities our clubs are providing and the Scottish hospitality you will receive.

The European Development programme continues to grow and go from strength to strength, and events such as this are important milestones in the cricket calendar. There are opportunities like never before for the best young players in Europe to compete and progress in the game, and we are delighted to act as hosts this week. I look forward to seeing all the teams during the week. Good luck.

Roddy Smith
Cricket Scotland Chief Executive
