## Message from ICC Regional Development Manager – Europe

---

It gives me great pleasure to welcome all teams, players and officials to the Netherlands for the ICC European U15 Division 1 tournament.

This year's event will see squads from Denmark, Guernsey, Ireland, Jersey, The Netherlands and Scotland battle it against each other in a series of 45-over matches at three grounds across the Netherlands. The six day event will be a fantastic spectacle.

Personally I would like to thank the hosts KNCB, Tournament Organiser David Woutersen whom I and the ICC are truly grateful for all his hard work. ICC Europe Tournament Referee Dick Auchinleck, all the match officials involved in the tournament and the many volunteers throughout the clubs who have worked so hard and kindly hosted matches.

Good luck to all involved and enjoy the cricket!

Yours sincerely

Richard Holdsworth

# Tournament Welcome

---

I would like to take the opportunity to welcome all of the players, umpires, scorers, parents and spectators to this year's ICC European U15 Div 1 Championships to be held here in the Netherlands.

Many of the matches will be played at Salland CC formerly known to many cricket people as Kon UD CC and is the only club in the Netherlands to host 2 grass squares and outfielders on the same site. Already this year the club has hosted an Intercontinental Cup game (4 days) between the Netherlands and Scotland which the Scots won in nail-biting fashion on the final day.

The second club hosting matches at this tournament are Kampong CC in the beautiful city of Utrecht (please take some time out to visit this ancient city during your stay). Kampong is very much the home of our National Men's and Women's teams as they practice there on a regular basis on what is a wonderful multi sport site in the shadows of the FC Utrecht Football Stadium.

Both clubs have staged Cricket in the recent Pepsi World Cricket League Division One event and are fortunate to have some wonderful people at their clubs who love their cricket.

I am sure that at this stage of the season and with the excellent weather we have been enjoying across Europe that everyone will arrive at the event keen and enthusiastic to do well throughout the week. We wish you well for a plentiful supply of runs, wickets and catches etc as well as the opportunity for a unique experience playing against players of your own age around Europe.

Finally let me finish by thanking both clubs, our travel partners, all of the KNCB volunteers and helpers, the Mercure Hotel, everyone at ICC Europe and particularly the Tournament Director and Tournament Organiser Chris Porter and David Woutersen for their hard work in putting this all together.

May the sun shine and the best country win in the right spirit of the game

Richard Cox  
CEO KNCB

## Cricket in The Netherlands

### Everyone's Game?

With just under six thousand active players, Cricket is certainly not everyone's game in The Netherlands. There are seven grounds with turf squares, in the rest of the country artificial matting is used. Most national team players are amateurs and have a day time job or study outside cricket. So it can be considered quite an achievement that the national squad was present at the 1996, 2003 and 2007 Cricket World Cup and this April in South Africa qualified for the 2011 World Cup.

### History of cricket in The Netherlands

Cricket was introduced by British soldiers during the Napoleonic Wars in the 19th Century, and the Cape Colony in 1856. In the 1860s it was a major sport in the country. The Netherlands national team played its first ever game in 1881. It fielded twenty two players against an Uxbridge Cricket Club XI, but still lost by an innings. Royal Netherlands Cricket Association (KNCB) was established in 1883.

### International cricket

In 1966 The Netherlands gained ICC Associate Membership. Next to participation in the 1996, 2003 and 2007 Cricket World Cup the team took part in all nine ICC Trophy tournaments, winning the competition in Canada in 2001 and finishing as runners-up in 1986 and 1990.

The Dutch entered the English domestic NatWest Trophy competition in 1995 and spent ten years in the tournament with a best performance in 1999, when progressing to the fourth round.

In 2005 the Dutch team beat the UAE to finish a disappointing fifth in the ICC Trophy, still qualifying for the 2007 World Cup. The Netherlands gained full One Day International status from 2006.

In August that year, the Netherlands competed in Division 1 of the ICC European Championship and finished third. In November, in the final match in an Intercontinental Cup in South Africa against Canada, Ryan ten Doeschate set a new competition record individual score of 259 not out.

In early 2007, the side travelled to Nairobi, Kenya to play in Division One of the World Cricket League, finishing third out of six teams. Then on to the 2007 World Cup in the West Indies, where they were beaten by World Champion Australia and South Africa. The Dutch team however did beat Scotland convincingly in the last group stage match.

In January 2008 Australian Peter Drinnen (42) was appointed as Netherlands' coach after coaching Scotland since 2006. Drinnen played five first class matches for Queensland from 1988-1990 before moving into coaching.

In June 2009 The Netherlands stunned the world by beating England in the ICC World Twenty20 opening match at Lord's. Days later The Netherlands couldn't follow up on this huge success and lost to Pakistan to miss out on the Super Eight Stage of the tournament.

### International cricket in The Netherlands

For the 1999 Cricket World Cup match between South Africa and Kenya, the Amsterdam ground of VRA Cricket was the venue for the only group stage match that took place outside England. KNCB hosted the Videocon Cup with Australia, India and Pakistan at the same venue in 2004. In 2006 Sri Lanka played two official ODIs against The Netherlands in Amsterdam. On day one, the ODI world record runs was shattered. Jayasuriya (157) and Dilshan (117) were responsible for a monster score of 443 runs.
